Career Objective

To work in a firm with a professional work driven environment where I can utilize and apply my knowledge, skills which would enable me as a fresh graduate to grow while fulfilling organizational goals.

Professional Summary

- Pursued a certificate course on Industrial Software Testing with live project from Xelate, Bengaluru.
- 6 months of experience in Manual Testing.
- Sound Knowledge of Manual Testing and Automation Testing (Selenium).
- Familiar with Software Development Life Cycles (Waterfall, Spiral, V-Model and Iterative Software Development – Agile/Scrum).
- Hands on knowledge of Test Case Writing, Execution and Defect Tracking.
- Knowledge of Jira Tool and API Testing using Postman.
- A very confident, calm and committed individual with a positive attitude of managing situation under pressure and exceptional abilities to identify and resolve issues with good motivational, interpersonal skills and team building activities.

Projects

Project 1: Industrial Software Testing

Title : SevenChats (Social - Networking Application)

Team Size : 27

My Role : Project Lead

Platform : Android (Native App), Web App

Testing Methodology : Manual testing (Functional, End to End, API and Exploratory testing)

Project Description : The objective of this test project was to ensure that the application meets the quality standards which can be used for various social and professional purposes. The test activities included Functional Testing and various Non-Functional testing like LDT (Language Dependent Testing for Hindi and Tamil), which is a part of Localization testing, Installation Testing, Compatibility Testing, Usability Testing, Exploratory and API Testing.

Key Responsibilities :

- Performed various testing like Functional Testing, End to End Testing, Retesting, Compatibility Testing, API Testing and Exploratory Testing for Login Screen, Signup screen, Short Videos and other posts.
- Involved in preparing bug report, Weekly Test Execution Report by consolidating the data from other testers, interacting and explaining the Weekly Test Execution Report to the client in the weekly meeting and reporting the bugs on Trello-bug tracking tool.

Key Achievements :

- Reported 12 Critical and 11 Major bugs.
- Reported 2 CRs (Change Requests). Two of them are accepted and implemented.

Project 2: Academic

Title : Drilling of Aluminium 6061 & Boron Carbide(B₄C) by μ -WEDM Process

Team Size : 3

My Role : Team Lead

Project Description : The recent research on Micro Wire Electrical Discharge Machining (μ -WEDM) has been focused for cutting of different alloys and Metal Matrix Composite (MMC) which has wide applications in engineering construction. In this project, the effect of μ -WEDM process parameters are analysed in drilling of Al6061/B₄C (10%w/w) metal matrix composite.

Key Responsibilities : Performed drilling of Al6061/B₄C (10%w/w) metal matrix composite with different combination of parameters such as Gap voltage, Feed rate, Capacitance, Wire Diameter and Wire Tension and the Surface Roughness (SR) was observed.

Technical Skills

Operating System	: Windows 11/10/8.1/8, Android 13/12/11/10
Programming Languages	: C, Java (Basics)
IDEs	: Eclipse, Visual Studio, Turbo C++, GoormIDE (Cloud computing)
Tools	: MS Office, Trello, Jira, Postman, Maven
Web Automation	: Selenium, Locators, TestNG
RDBMS	: MySQL
Testing Skills	: Functional, End to End, Retesting, Exploratory, Compatibility, API
SDLC	: Waterfall, Spiral, V-Model, Scrum

Educational Qualifications

Degree (Branch)	College/University	Year of Completion	Percentage
B.E.(Mechanical)	Saveetha Engineering College, Chennai	2018	68%
HSC	Jawahar Higher Secondary School, Chennai	2014	79%
SSC	Jawahar Vidyalaya Senior Secondary School, Chennai	2012	74%

Co-curricular Activities

- Received Certification of Training in “Cardio Pulmonary Resuscitation” as part of “Save a life Movement” at Saveetha Medical College.
- Received Certificate of Appreciation for Blood Donation at Rotary-Central TTK-VHS Blood Bank.
- Received “A – Certificate” in National Cadet Corps (NCC).

Certification

- Certification on Industrial Software Testing Training from Xelate, Bengaluru (Sept 2022- Mar 2023).

Personal Details

Father's name	: S. Ravichandran
Gender	: Male
Marital Status	: Unmarried
Languages Known	: English, Hindi, Tamil
Passport Availability	: Available
Permanent Address	: New no 3/5(Old no 9), Mothi Nagar Main Road, Karambakkam, Porur, Chennai - 600116
References	: Shall be provided on request

Declaration:

I do hereby declare that the above information is true to the best of my knowledge.

Date :
Place : Chennai
