SUMMARY

QA Engineer with 2 years of experience in JMeter and Performance testing. Proven ability to execute tests and develop performance test scripts. Experienced in verifying, validating, and testing applications to ensure quality and accuracy of functionality.

SKILLS

JMeter	Expert
Postman	Advanced
LoadRunner	Intermediate
JIRA	Intermediate
New Relic	Intermediate
App Dynamics	Intermediate
C	Intermediate
JavaScript	Intermediate
Git	Basic
REST	Intermediate
HTML,CSS	Advanced
Perfmon	Basic

CERTIFICATES

DIGITAL ASSURANCE PROFESSIONAL

Infosys Limited
Present
Certified in Performance Testing using JMeter, Performance Engineering and Testing Fundamentals.

OPEN SOURCE PROFESSIONAL

Infosys Limited
Present
Certified in JavaScript Programming language and MySQL Database

Ankita Mukherjee

QA Engineer

EXPERIENCE

Test Engineer

- Infosys Limited
12/2021 - Present
- Analyzed and documented software requirements and user stories, ensuring alignment with business goals.
 - Led performance testing initiatives, utilizing JMeter, LoadRunner, and Postman, to ensure the reliability and scalability of critical applications.
 - Responsible for comprehensive end to end API Testing including Performance Evaluation and in depth reporting to enhance application performance and scalability.
 - Good Understanding of Correlation, Parameterization and Checkpoints, Implementing Logics ,Error Handling and Scripting Standardizations.
 - Identified performance bottlenecks after analyzing the test results generated by JMeter which improved 20% customer satisfaction.
 - Orchestrated the execution of performance tests to simulate heavy user loads, stress testing, endurance testing and peak usage scenarios.
 - Collaborated with development teams, streamlining issue tracking and resolution through effective use of JIRA and Git.
 - Utilized App Dynamics and Perfmon for real-time monitoring and in-depth analysis of application performance.
 - Demonstrated understanding of key performance metrics, including throughput, latency, memory, and CPU utilization.

EDUCATION

ECE

University Institute Of Technology
06/2017 - 06/2021
B.E
CGPA-7.43

Science (PCMB)

Kukura Anilabala High School
05/2015 - 05/2017
Class 12 (WBCHSE)
Marks-74%

Science

Jubila Pragati Vidyaniketan
05/2006 - 05/2015
Class 10 (WBSE)
Marks-82%
