ABOUT

Logical, solution-focused IT professional with 1+ year of remarkable experience in providing comprehensive technical support to clients. Adept at leveraging superior analytical thinking skills to prioritize tasks, identify technical issues, and provide timely resolutions. Possess excellent communication abilities to convey innovative ideas to diverse audience of varying technical expertise. Flexible to work in any environment as required.

EXPERIENCE

Capgemini Engineering

Associate II – Engineer (July 2023 – To date)

Associate I – Engineer (Dec 2021 – July 2023)

Projects

SFR - Nokia Nuisance Call Filtering (NCF)

Responsibilities include Manual Testing, Automation – Robot Framework (RIDE), GIT, Jenkins, Manual functional testing, GUI Testing, Test case writing and debugging bugs.

CHT – EMR and EA services

Responsibilities include Automation – Robot Framework, GIT, Jenkins, XML and debugging bugs, Security Testing

Rakuten

Responsibilities include direct client communication, CNF Deployment (with Docker & Container, Kubernetes), ELK Stack, Prometheus, Grafana, Kafka, Test case writing and GUI Testing.

Real Time Call Control (RTCC)

Responsibilities include Manual Functional Testing, Non-Functional Testing, CNF Deployment (with Docker & Container, Kubernetes).

PROJECT - B.TECH

Research Publication

- “An Ensemble Based Approach for Image Classification Using Voting Classifier” for the International Journal of Modelling, Identification and Control.
DOI- <https://doi.org/10.1504/IJMIC.2022.127099>
Detail: Applied Machine Learning algorithms on Fashion MNIST dataset and analysed the result. This is a proposed scheme.
- “Analytical Evolution of Traditional Algorithm for Hand Gesture Recognition” in Neurocomputing, Elsevier Publication (Communicate).
Detail: Applied Machine Learning algorithms on Sign MNIST dataset and analysed the result. This is an analytical evolution work.

PROJECT - DIPLOMA

- Minor Project: Mobile Phone Detector - The mobile phone detector can sense the presence of an activated mobile phone from 4 to 5 meters. The circuit can detect incoming and outgoing calls, SMS, Internet, and video transmission if a mobile phone is kept in silent mode.
- Major Project: DTMF (Dual Tone Multi-Frequency) Home Automation - The main principle of the circuit is to control appliances like light & fan using DTMF Technology. It is a very helpful circuit to reduce the electricity when we forgot to switch off the appliances.

SKILLS

- | | |
|----------------------------------|-------------------------|
| • Kubernetes | • Docker & Container |
| • Test Cases/ Rules writing | • Automation |
| • Python | • Functional Testing |
| • Research and Development (R&D) | • ELK Stack |
| • Prometheus | • SIP Protocol |
| • INAP Protocol | • Kafka |
| • Security Testing | • Machine Learning |
| • Artificial Intelligence | • Ensemble Learning |
| • Agile Software Development | • Business Intelligence |
| • GIT | • Jenkins |
| • SQL | • Grafana |
| • 4G | • 5G |

LICENSES & CERTIFICATIONS

- Kubernetes for the Absolute Beginner- Hands-On
- Kubernetes: Basic Architecture and First Deployment
- Agile Software Development
- Exploratory Data Analysis with Python and Pandas
- Merge, Sort and Filter Data in Python Pandas
- Programming for Everybody (Getting Started with Python)
- Introduction to Sustainable Development (SDGs)
- Python for Data Science
- Python for Beginners
- SQL
- Crash Course on Python

ACADEMIC QUALIFICATION

- B.Tech in Computer Science and Engineering from Ambedkar Institute of Advanced Communication Technologies & Research (Government of NCT of Delhi), Delhi, with CGPA 8.96/10.0, session 2017-2020.
- Diploma in Electronics and Communication Engineering from Pusa Institute of Technology (Government of NCT of Delhi), Delhi, with 82.52%, session 2014-2017
- 10th CBSE Board from Sanjeevani Public School, Delhi in 2014 with CGPA 7.8/10.0

INDUSTRIAL TRAINING

Six weeks industrial training in "**Schneider Electric**" based at Pantnagar (SIDCUL) Uttarakhand done twice in the diploma course (2016) and B.Tech (2019). I worked on the shop floor where Uninterruptible Power Supply (UPS) being manufactured.

ACHIEVEMENTS

- Received Appreciation letter from **Honourable Prime Minister of India – Shri Narendra Modi for merit scholarship since 2017.**
- Award of merit scholarship, during diploma course at Pusa Institute of Technology, New Delhi.
- First rank holder in B.Tech.
- Participated in a workshop on “Swachh Bharat Abhiyan” and in the event “Teaching in Govt. School” under the “National Service Scheme” organized by Ambedkar Institute of Advanced Communication Technologies & Research, Delhi (Govt. of NCT of Delhi).
- A Spoken English Pre Intermediate course has been done through BRITISH COUNCIL, NEW DELHI, and achieved the EXCELLENT result.
- Successfully completed AWS Cloud Practitioner Essentials (Second Edition) online course from Amazon AWS.

PERSONAL DETAILS

Date of Birth	: 03-Feb-1998
Father's Name	: Mr. Arun Kumar Saxena
Mother's Name	: Mrs. Rajni Saxena
Gender	: Female
Nationality	: Indian
Religion	: Hindu
Home Town	: Delhi
Permanent Address	: C-77 Vishwas Park, Near Tar Factory, Uttam Nagar, New Delhi- 110059
Phone Number	: 9999142255
Language Known	: English and Hindi
Hobbies	: Gym and Kathak

I declare that the details above are correct and true to the best of my knowledge.
