

SUMMARY

I am a seasoned QA Lead with over 12 years of expertise in ensuring the quality and reliability of software products. I have good experience across the Web and Mobile platforms. My leadership has spanned diverse teams, where I've honed skills in test strategy development, test automation implementation, and manual testing processes. I prioritize continuous improvement and effective communication with cross-functional stakeholders. My adaptable nature and commitment to excellence make me a valuable asset in delivering high-quality software solutions.

EDUCATION

Anna University, India

Master's in Software Engineering
2007 - 2012

High School, India

Computer Science
2006 - 2007

SKILLS

- **Manual Testing** : Functional, Regression, Performance, Compliance
- **Platforms** : Web, Mobile, API and Desktop
- **Programming** : Javascript, Typescript, Ruby
- **Frameworks** : Cypress, Playwright, Selenium, Mocha, k6, Appium, Axios, Artillery, WebdriverIO, Pytest, Rspec, Cucumber, RestAssured
- **CI/CD** : Gitlab, CircleCI, Github actions, Jenkins
- **Version control** : Gitlab, Github
- **Artificial Intelligence** : OpenAI(ChatGPT)
- **Project management** : JIRA, Confluence, Pivotal, Asana
- **Test Management** : Testrail
- **Logs** : Sentry, kibana
- **Cloud** : AWS, GCP
- **API** : REST, GraphQL
- **Database** : Mysql, Postgres
- Good experience in **Docker and Google analytics**
- Good experience in **TDD, BDD and ATDD**
- Strong **organizational** and **time-management** skills
- Exceptional **communication** and **interpersonal** skills
