TECHNICAL SKILLS

SQL

Java Script

Selenium

Manual Testing

MS Office

LANGUAGES

English

Tamil

AREA OF INTEREST

SELENIUM

- Hands on browser automation
- Waits, DD (reading data from Excel).
- TestNG-Test execution and reporting.

MANUAL TESTING

- Good knowledge in Software Test Life Cycle.
- Having good knowledge in Black Box Testing.
- Comfortable knowledge in defect tracking tool.
- Best knowledge in writing test case scenario.

RAJASRI

CAREER OBJECTIVE

To secure a responsible and satisfying position in a reputed organization where i can learn and utilize my skills for the success and growth of the organization.

EDUCATION

Syed Ammal Engineering College 2021-2025

Electronics Communication Engineering

- CGPA: 8

Syed Ammal Higher Secondary School

HSC 2020-2021

- Percentage: 80%

SSLC 2019-2020

- Percentage: 86%

ACADEMIC PROJECTS

Mini Project (Duration: 60 Days)

Title: Smart Blind Sticks

- The System utilizes an ESP32 microcontroller to intergrade various environmental sensors and deliver real-time audio feedback, helping users navigate safely and independently.
- It offers an affordable and practical real-time solutions challenges faced by visuals impaired individuals.

Thesis Project (Duration: 90 Days)

Title: An IOT Enables Plastics Collection Systems for River and Lakes

- An IOT Enables Plastics Collection Systems is a smart, eco-friendly solution designed to clean rivers and lakes by automatically collecting the floating plastic and other wastes.
- This systems uses an ESP8266 microcontroller to control the movement of a robotic boat and integrates with the Blynk application for remote operation and monitoring.
- An ESP32-CAM module is mounted on the boat to provide the live video streaming for navigation.

ENGINEER TRAINING
