WORK EXPERIENCE

Automation and QA Enthusiast

Mar 2020 – Present

- Developed comprehensive automation frameworks using Selenium, Java, and Appium through hands-on projects, increasing test coverage and enhancing test efficiency.
- Practiced API automation using Postman and RestSharp, and applied SQL and MySQL for database testing, ensuring data integrity and improving testing accuracy.
- Gained extensive experience in mobile testing using Appium, conducting cross-platform testing for Android and iOS applications.
- Applied Agile methodologies in personal workflows, utilizing JIRA and GitLab for defect tracking and version control, improving test management and team collaboration.

ICICI Bank Ltd (Assistant Manager)

Jan 2016 – Feb 2020

- Acquired new clients through effective customer outreach and managed high-net-worth accounts.
- Supervised cash operations, evaluated loan applications, and conducted SQL audits to ensure compliance.
- Managed branch operations and delivered exceptional customer service, maintaining high satisfaction scores.

Project:

Shoppers Stack Role: Automation Test Engineer Type: Web Application Testing Status: Open

Nov 2023 – Jul 2024

- Developed and executed 208 automated test scripts across 96 suites, managing 39 users and coordinating with a team of 5 resources for comprehensive test coverage.
- Utilized 15 environment variables and 7 step groups to enhance testing flexibility, facilitating accurate and consistent data-driven testing.
- Employed 2 test data files to ensure thorough validation and consistency in test results.

TECHNICAL SKILLS

Programming & Databases	Python, MySQL, Core Java, SQL, Java Selenium, SDET, API
Frameworks & Libraries	Selenium, JDBC, Fire Flink
OS & Version Control	Windows, Git
Project management	JIRA, GitLab, Agile, Waterfall
Cloud	Browser Stack, Sauce labs, Lambda Test

EDUCATION

Bachelor of Engineering (Electrical and Electronics Engineering)

Anna University

May 2013

CGPA 7.5

PGDBO (Post Graduate Diploma in Banking Operation)

NIIT

Feb 2016

CGPA 6.0

Additional information:

Relocation: Open to relocate anywhere Worldwide

Languages known: English, Tamil, Hindi, Telugu

Certifications: Software Testing Full Stack/SDET Course, Automation testing using Selenium and Manual testing using JIRA and Fire Flink, Postman API Fundamentals Student Expert, NISM, NRDL, IRDA, PCEP Entry level Python programmer, Diploma in MySQL and Statistics for Data Analysis.

Awards and Recognitions: Rated 2 as Senior Officer in 2016-17 and 2017-18, Awarded top performer in Life Insurance Drive 2017-18, Star performer award for 2018 Quarter, Top performer award in monthly drive events (Sep, Nov, Dec)
