LANGUAGES

☐ ENGLISH

☐ HINDI

☐ FRENCH

☐ TAMIL-NATIVE

SKILLS

☐ Problem-solving. ☐ Critical thinking ☒ Teamwork and collaboration

☐ Leadership ☐ Adaptability and flexibility ☒ Active listener

PROJECT:

I HAVE COMPLETED TWO PROJECTS TO DATE:

- ☐ The World Cup Prediction Project -This project, which is being carried out by IIM, is about prediction of who will win and the barriers to victory.
- ☐ The research methodology on the water management of the start-up company.

CERTIFICATION

- ☐ I have completed my certified course in DATA ANALYTICS from google.
- ☐ I possess the abilities and knowledge required to work with data efficiently, derive insightful conclusions, and make data-driven choices in the area of study.
- ☐ I can analyze data effectively because I have a solid grounding in data modelling, programming, and tools like R and Python programming.

VOLUNTEERING

◆ COMMITTEE HEAD IN MILAN-2022

For the biggest ever event, MILAN'22, I was assigned the role of committee head in the discipline domain, and I actively planned and ran the event from the beginning to the wrap up.

◆ CONVEYOR IN SRM STUDENT AFFAIR-2023

As a conveyor at Srm University, my line of work is to set up and manage an event. My first duty is to make sure that other individuals adhere to the university's rules and standards. I have appointed 40 committee heads under my oversight in order to lend a hand with the event and make sure it goes effortlessly.

◆ I have gained a certificate from national cadet corps (NCC) for volunteering in the 19th convocation of my university.

EXTRACURRICULAR ACTIVITY

☐ I'm a very involved sportsperson with the sole objective of developing excellent sportsmanship. My extracurricular activities are entirely focused on table tennis and basketball. Whereby these sports gave me a strong sense of patience and situational awareness.

☐ I've participated in state, district, and national tournaments and won two matches. I hope that I have strengthened my knack to manage, discipline, and coordinate teams.

HOBBY/INTEREST

☐ I've found that travelling and discovering information about other cultures has expanded my perspective, made me more adaptable, and strengthened my interactions with people from different backgrounds. It displays my sense of curiosity and receptivity. Hence travelling has become my recent interest.

☐ Having a blog and writing as a hobby have helped me become more creative, communicative, and able to convey ideas clearly. I like to share my ideas and experiences with a larger group of people.
